## ARTICLE I

### *Recognition*

The Town recognizes the Association as the exclusive bargaining agent for the purpose of collective bargaining for all sergeants, lieutenants and captains employed in the Police Services Division of the Town, excluding all other employees.

## ARTICLE II

### *Member Rights and Representation*

#### Section 1.

Members have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to join and assist the Association. The freedom of members to assist the Association shall be recognized as extending to participation in the management of the Association and acting for the Association in the capacity of an Association officer or representative, or otherwise, and including the right to represent Association views and positions to the public, to officials of the Town and the Police Services Division, to members of the Town Meeting and of the General Court, or to any other appropriate authority or official.

Without limiting the foregoing, the Town agrees that it will not aid, promote, or finance any labor group or organization purporting to engage in collective bargaining or make any agreement with any such group or organization which would violate any rights of the Association under this Agreement or the law.

Further, no representative, Divisional official, or agent of the Town shall:

- (a) Interfere with, restrain or coerce employees in the exercise of their right to join or refrain from joining the Association
- (b) Interfere with the formation, existence, operation or administration of the Association;
- (c) Discriminate in regard to employment or conditions of employment in order to discourage or encourage membership in the Association; or
- (d) Discriminate against an employee because he/she has given testimony or taken part in any grievance procedure, or other hearings, negotiations or conferences for or in behalf of the Association.

## Section 2.

The members of the Association Bargaining Committee, not to exceed three (3), who are scheduled to work a day tour of duty during collective bargaining negotiations or who are on a "short--day" so-called between two night tours of duty, shall be granted a leave of absence without loss of pay or benefits for all meetings between the Town and the Association for the purpose of negotiating the terms of a contract, or supplements thereto. Such meetings shall normally be scheduled for the day-time, but if such negotiations continue into the evening hours, such members then working a night tour of duty shall similarly be granted leave of absence without loss of pay or benefits for all such meetings.

## Section 3.

Officers, representatives, or grievance committee members, not to exceed two (2), shall be granted leave of absence without loss of pay or benefits for time required to discuss and process grievances with the members or others involved, and to participate in any grievance step or in an arbitration procedure consequent thereupon. Such officers, representative or grievance committee members, who work with any night platoon, shall have their hours and schedule of work accordingly adjusted to effectuate the purposes of this Section.

## Section 4.

Association officers and shift representatives shall be permitted:

- (a) to discuss official Association business with the Director of Police Services and/or Director of Community Safety at mutually convenient times;
- (b) to discuss official Association business with members prior to on-duty roll call or following off-duty roll call;
- (c) to discuss official Association business with members during work, provided such discussion does not interfere with police business, and further provided, that this clause is not deemed to permit union meetings or group discussions during work.

# ARTICLE III

## *Payroll Deduction of Association Dues*

## *and Agency Service Fee*

### Section 1.

#### Agency Fee

In accordance with Chapter 1078 of the Acts of 1973, as amended by Chapter 903 of the Acts of 1977, it shall be a condition of employment that all members in the bargaining unit who are not members of the association in good standing and who have been employed for thirty (30) days or more, shall pay the association an agency service fee subject to the application statutory conditions.

The Association agrees to indemnify the Town for damages which the Town may be requested to pay an administrative agency or court of competent jurisdiction of last resort as a result of the Town's compliance with this Section, provided that any such sum of damage is limited to the amount deducted from and payable to the particular suitors (claimants) who are named party or parties plaintiffs but to no other person.

## Section 2.

### Payroll Deduction of Association Dues and Agency Fees

In accordance with the provisions of General Laws, Chapter 180, Section 17 as amended, the Town agrees to deduct weekly, if practicable, otherwise bi-weekly from the pay of each member in the bargaining unit who properly authorizes it all Association dues and agency services fees which are owed to the Association.

## ARTICLE IV

### *Management Rights, Employer Obligations and Employee Benefits and Practices*

## Section 1.

Notwithstanding the provisions of this Agreement and subject to applicable law the Town reserves and retains all the lawful regular and customary rights and prerogatives of municipal management. The provisions of this Agreement supersede any conflicting rule or regulation of the Police Services Division.

## Section 2.

There shall be no strikes during this Agreement.

## Section 3.

The Town reserves the right to require, at its expense, annual medical examinations to determine fitness for work.

## Section 4.

Except as modified or improved in this Agreement, all job benefits or practices specified in Article 7c of the Town by-laws or as uniformly applicable to bargaining unit members will continue in force during the terms of this Agreement.

## ARTICLE V

### ***Grievance and Arbitration Procedure***

#### Section 1.

A grievance is defined as a dispute concerning the interpretation or application of the Agreement and shall be processed as follows:

- Step 1. Within thirty days of the occurrence or reason to know of the incident upon which the grievance is based, the grievance shall be submitted by the member and/or his Association representative to the officer in charge of the appropriate bureau to which the grievance pertains or his platoon who shall attempt to resolve the grievance informally.
- Step 2. If the grievance is not resolved within seven days after its submission at Step 1, it may be submitted in writing to the Director of Police Services who will meet the Association grievance committee not to exceed two within 5 days and who shall answer the grievance in writing within five days of such meeting.
- Step 3. Then to the Director of Community Safety.
- Step 4. If the written grievance is not resolved at Step 2 or 3 or answered by the Director of Police Services or the Director of Community Safety within the 5-day period, it may be submitted to the Town Manager within 7 days after said 5-day period. The Town Manager or his designee may meet with the Association Grievance Committee within five days and shall answer the grievance in writing within five days of such meeting.
- Step 5. If the written grievance is not resolved at Step 4 or answered by the Town within said 5-day period, the Association, and not any individual member, may submit the grievance to arbitration by written notice to the Town Manager within 20 days after said 5-day period.

If the parties do not agree on an arbitrator, the Association may submit the grievance to the State Board of Conciliation and Arbitration or to the American Arbitration Association for proceeding in accordance with its then voluntary arbitration rules. Such submission must be within 30 days after written notice to the Town Manager. The decision of the arbitrator shall be final and binding, provided that the arbitrator shall not alter, amend, add to or subtract from the express provisions of this Agreement. The fee of the Arbitrator and the American Arbitration Association shall be shared equally by the parties.

#### Section 2.

A grievance shall be deemed waived unless submitted at each step by the aggrieved member and/or the Association Representative within the time limits provided, unless extended by mutual agreement of the parties acting at each step.

#### Section 3.

A written grievance shall identify the specific Article(s) of the Agreement of which a violation is claimed.

#### Section 4.

Both parties agree to cooperate in processing grievances requiring rapid resolution. This provision is not intended to require use of the AAA's arbitration procedure.

#### Section 5.

Grievances of a general nature which effect a group or class of members may be filed at Step 2.

#### Section 6.

Reasonable time off without loss of pay shall be granted to witnesses requested by the Association, when in Agreement with the Town of Arlington.

#### Section 7.

Any matter which is subject to the jurisdiction of the Civil Service Commission (e.g., discharge or suspension) or retirement board shall not be a subject of grievance or arbitration, unless the member elects and the parties (Town and Association) agree to use binding arbitration in accordance with Section 8 of Chapter I5OE.

## ARTICLE VI

### *Personnel Interrogation Procedure*

No member of the Police Services Division shall be required as requested, directly or indirectly, to submit to interrogation which could lead to disciplinary action, except in accordance with the following rules:

- 1. The interrogation of a member of the Division shall be at a reasonable hour, preferably when the member is on duty, unless the exigencies of the investigation dictate otherwise. Where practicable, interrogations should be scheduled for the daytime, and reassignment of the member to a day tour of duty in lieu of his next regularly scheduled tour of duty may be employed or said member shall be compensated on an overtime service basis. No member shall suffer loss of pay for time spent under interrogation.
- 2. The interrogation shall take place at the Police Station.
- 3. Said member shall be informed of the rank, name and command of the officer in charge of the investigation, as well as the rank, name and command of the interrogating officer and all persons present during the investigation.
- 4. Said member shall be informed of the nature of the investigation before any interrogation commences, including the name of the complainant(s). The address of the complainant(s) and/or witnesses need not be disclosed; however, sufficient information to reasonably apprise the member of the allegations should be provided. If the complaint is filed in writing or has been or can be reduced to writing by the Division, a copy shall be furnished to said member. If it is known that the member being interrogated is a witness only, he/she should be so informed at the initial stage, and no statements, oral or written, given or requested of him/her, may, at any later point or stage, be used as the basis of

any misconduct or other charges against him/her. If such statements or any information thereby imported are used in any way against said member, any charge emanating therefrom shall forthwith be dismissed and quashed.

- 5. The interrogation shall be completed with reasonable dispatch. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and rest periods as are reasonably necessary. Said member shall be afforded full time and opportunity to have access to his/her notes and any witnesses to refresh his/her recollection as to the alleged charges of misconduct, and/or the incident in question, and this prior to any interrogation.
- 6. Said member shall not be subjected, during said interrogation, or at any time prior thereto, to any offensive language, nor shall be threatened with transfer, dismissal, reassignment or other disciplinary punishment. No promises or reward shall be made as an inducement to answering questions, except that this shall not preclude an offer of immunity from disciplinary action.
- 7. The complete interrogation of a member of the force shall be recorded mechanically or electronically or by a Division stenographer. Said member shall be given an exact copy of any written statement he/she may execute, and, if formal charges are preferred against him/her, he/she shall, at his/her request, be given an exact copy of said interrogation, at no cost to him/her.
- 8. In all cases wherein a member is to be interrogated he/she shall be afforded, if he/she so requests, an opportunity and facilities to contact and consult privately with counsel and/or a representative of the Association before being interrogated, provided the interrogation is not unduly delayed. In such event, the interrogation may not be postponed for purpose of counsel and a representative of the Association past 10.00 a.m. of the day following the scheduled day for the interrogation, unless a later date is mutually agreed upon. Counsel, if available, and said Association representation may be present during the interrogation of said member, and counsel at all times may be a participant in such proceedings.
- 9. If a member of the Division is under arrest, or is likely to be, that is, if he/she is a suspect or the target of a criminal investigation, he/she shall be given his/her rights pursuant to the Miranda decision.
- 10. The refusal by an officer to answer questions as permitted by applicable law may result in disciplinary action.
- 11. "Interrogation" hereunder shall mean oral interrogation. Nothing hereunder shall prevent the Division from requiring written reports within 24 hours after such request or later by mutual agreement. Nothing hereunder shall preclude disciplinary action or suspension with or without pay, as permitted by applicable law, when an officer is under indictment, without a prior departmental investigation or interrogation.

## ARTICLE VII

### *Hours of Work and Overtime*

#### Section 1.

The regular workweek for members shall consist of not more than forty (40) hours and the regular workday shall consist of not more than eight (8) hours. Members shall be scheduled to work on regular work shifts or

tours of duty and each work shift or tour of duty shall have the following regular starting and quitting time. Work scheduled shall be posted on the Division bulletin board and a copy shall be given to the Association.

## Section 2.

Presently, the tours of duty are as follows:

- No.1 - Day Shift - 8:00 AM to 4:00 PM
- No.2 - Night Shift - 4:00 PM to 12 Midnight
- No.3 - Night Shift - 12 Midnight to 8:00 AM
- No.4 - Staff Personnel Shift - 8:30 AM to 5:00 PM
- Day Inspectors (Detectives) - 8:00 AM to 5:00 PM
- Night Inspectors (Detectives) - 5:00 PM to 1:00 AM
- Night Operations Captain - 6:00 PM to 2:00 AM

The Town reserves the option to change the starting and quitting time of any shift after reasonable notice.

## Section 3.

Members other than Inspectors assigned to night shift work normally alternate between such shifts, provided, however, the Director of Police Services and for the Director of Community Safety in his/her discretion may assign members to Night Shift No. 2 or to Night Shift No. 3 on a fixed, non-alternating basis. Such fixed assignment shall be made only after reasonable notice but shall not be designed to replace alternating shifts. No member shall be assigned to a fixed night shift as punishment duty. In the event the Director of Police Services or the Director of Community Safety seeks to assign members to fixed shifts, volunteers will be requested for and will be selected on a seniority basis. If there are insufficient volunteers, members shall be assigned by reversed seniority.

## Section 4.

Members assigned to a regular "four and two" work cycle will serve a rotation of four (4) consecutive days or tours of duty followed by two (2) consecutive days without duty, in accordance with present practice. Members assigned to staff duty shall receive the same number of days off on an annual basis, as do those assigned to 4 and 2 work cycle and including weekends off as designated by the Director of Police Services in accordance with the present practice.

## Section 5.

Present practice as to lunch and dinner reliefs shall continue during the term of this Agreement.

## Section 6.

The regular work shift shall be deemed to include time spent waiting for a late car or other relief from duty, as may be the present practice.

## Section 7.

### Scheduled Voluntary Overtime and Emergency Assigned Overtime

- A. Scheduled overtime shall be posted and distributed to all members on an equitable and fair basis together with and in the same as paid details. All members shall be afforded the opportunity to accept overtime services, but there shall be no discrimination against any member who declines to work overtime on a voluntary basis.
- B. Notwithstanding the preceding paragraph, in emergencies or as the needs of the service require, members may be required and assigned to perform overtime work. Members shall be given as much advanced notice as possible of overtime work.

The Division will seek to avoid assigning emergency overtime (as contrasted with scheduled voluntary overtime) to members working "short day", so-called, on days-off, or who are required to attend court, between their tours of duty or on days-off, so that such members may be afforded every opportunity for required rest or to attend to their personal business before and after working hours or on a day off.

## Section 8.

### Overtime Service

All assigned, authorized or approved service outside or out-of-turn of a members scheduled tour of duty (other than paying police details), including detectives, service on a members scheduled day-off, or during his/hers vacation, and services performed prior to the scheduled starting time for his/her scheduled tour of duty, and service performed subsequent to the scheduled time for the conclusion of his/her tour of duty, shall be deemed overtime service and paid as such, subject to the following rules:

- A. If a member who has left his place of employment or last duty assignment after having completed work on his/her scheduled tour of duty is recalled to Police Headquarters or to any other place, or if a member is so recalled on a scheduled day-off, or during his/her vacation, he/she shall be paid on an overtime basis for all such time and shall be guaranteed a minimum of four (4) hours of overtime recall pay therefor.<sup>1</sup>
- B. Overtime service shall not include:

(1) An out-of-turn tour of duty or work shift which is substituted for a regularly scheduled tour of duty or work shift voluntarily by a member, subject to Division approval;

(2) Swapped tours of duty or work shifts between individual members by their mutual agreement, subject to Division approval;

(3) A change in schedule of a member for a period of thirty (30) or more consecutive calendar days, or for a period of less than thirty (30) calendar days if for the purpose of in-service training or courses or to bring prisoners back into the Towns jurisdiction;

(4) Holdovers beyond scheduled quitting time up to 30 minutes for writing reports. Holdovers beyond 30 minutes will be paid on an overtime basis retroactively, in accordance with present practice;

(5) Roll call time up to 15 minutes, in accordance with present practice.

## Section 9.

### Method of Compensation for Overtime Service

- A. A member who performs overtime service in accordance with the provisions of this agreement shall receive, in addition to his regular weekly compensation, time and one-half his/her straight-time rate of pay for each hour of overtime service or fraction thereof. The straight-time hourly rate shall be computed as one-fortieth (1/40) of a members regular weekly compensation.
- B. Pay for overtime service shall be in addition to and not in lieu of holiday pay or vacation pay, and shall be remitted or granted to members as soon as practicable after the week in which such overtime service is performed.
- C. A member who is assigned overtime service other than scheduled voluntary overtime during his/her vacation shall receive, in addition to the overtime compensation otherwise provided under paragraph A of this Section, a compensatory day and one-half off for each such day of vacation or any fraction thereof in which he/she performs overtime service.

## SECTION 10.

In the event that, during a situation of an emergency nature, two 12-hour tours of duty are put into effect, all service in excess of eight hours on any such tour shall be deemed overtime service.

## SECTION 11.

Shift Commanders shall be compensated at time-and-one-half when they work at least fifteen minutes prior to roll call, effective July 1, 1976. Effective July 1, 1993 all Shift Commanders shall be so entitled regardless of whether they had been regularly scheduled to work in said capacity.<sup>2</sup>

# ARTICLE VIII

## *Court Time*

### Section 1.

Effective July 1, 1978, a member on duty at night or on vacation, furlough, or on a day off, who attends as a witness or in other capacity in the performance of his duty for or in behalf of the Commonwealth or the Town in a criminal case or civil case related to the performance of duty pending in any District Court, any Juvenile Court, or any Superior Court, or before any Grand Jury proceeding, or in conference with a District Attorney or Assistant District Attorney, or at any pretrial conference or any other related hearing or proceeding, or who is required or requested by any city, county, town, state or federal government or subdivision or agency of any of the foregoing to attend or appear before any department, agency, board, commission, division or authority, or official, of the state or federal government, or subdivision or agency of any of the foregoing or who attends as a witness or in other capacity in the performance of his/her duty for the government of the United States, the Commonwealth or the Town in a criminal case pending in a Federal District Court, or before a Grand Jury proceeding, or a United States Commissioner, or in conference with United States Attorney or Assistant United States Attorney, or at any pretrial conference or any other related hearing or proceeding shall be entitled to overtime compensation at the time and one-half rate for every hour or fraction thereof during which he/she was in such attendance or appearance, but in no event less than three (3) hours such pay.

If at any time a member appears before a court, either at a hearing or trial, to answer a complaint against himself/herself, he/she shall be compensated for such court time in the same manner specified in this Section if the complaint is denied or if the complaint is issued the member is later found not guilty or otherwise absolved of the matter, and such member shall receive such compensation for court time for which he/she appeared as per the above stated formula.

Members will be credited with one hour of court time for travel to and from court, in accordance with present practice.

## Section 2.

A member performing court-time duty until 12 noon or thereafter after completion of a 12 to 8 shift tour of duty and scheduled to report for his/her "first-half" tour of duty (e.g. commencing at 4 p.m. to 5 p.m.), upon notice prior to 2 p.m. and with the approval of the immediate superior in any instance may report for work two hours later than the scheduled starting time on such day and work until the end.

## Section 3.

A member who is required to appear for court time during his vacation shall receive, in addition to his regular court time payment, a compensatory day and one-half for each such day of vacation or any fraction thereof, in which he/she is required to appear for court time.

## Section 4.

A member who is required to appear for court time duty after completing a 12 to 8:00 a.m. shift tour of duty, and scheduled to report again at 4:00 p.m. on the same day, may be released from duty at 4:00 a.m. without loss of pay, compensation or time due. This section shall apply only in those instances where minimum manning can be maintained of at least one ranking officer on duty.<sup>3</sup>

# ARTICLE IX

## *Details*

The following procedure will be adhered to in the assignment and recording of all paying police details:

- (a) All members will signify in writing from time to time their desire to accept or not to accept paying police details, and a current file on this subject will be maintained by the Police Services Division. The exchanging of paying details or the use of substitutes between members is permitted if the officer of rank or department employee assigning details as hereafter mentioned shall make reassignment accordingly. Paid details are voluntary.
- (b) All assignments to paying police details shall be made by a Police Community Safety Department employee or by a member of the Police Services Division designated by and responsible to the Director of Police Services for the equitable and fair distribution of such details. All paying details will be distributed to members fairly and equitably as to number of details, hours, compensation and type thereof, and averaged on a continuing monthly basis for the purposes of this subparagraph unless otherwise agreed upon by the parties. Scheduled overtime shall also be distributed together with paid

details on a single list in the manner provided under the preceding sentence. Sergeants shall continue to rotate with patrolmen on the detail list as shall Lieutenants and Captains. Members shall be given the maximum possible advance notice of paying details assignments. Any member who refuses a paying detail shall not be removed from the detail list, but any such refusal shall be recorded for purposes of detail assignment as a detail actually worked under the heading "detail refusal" (DR) with the detail hours thereof noted, in determining the equitable and fair distribution of details to such member.<sup>4</sup>

- (c) Such member or employee shall record all assigned paying details and shall post such assignments on the bulletin board daily for the attention of all members. Details shall be posted on detail distribution forms acceptable to the parties hereto, which forms shall set forth the members name, details worked, name of person, firm, corporation or entity served, number of hours worked and compensation received per detail, detail refusals and applicable dates.
- (d) Any member who performs a paying detail not officially assigned, recorded and reported as required by this Agreement will not be protected by the provisions of G.L. (Ter.Ed.) Chapter 41, Section 100, as amended.
- (e) Any member who knowingly performs a paying detail not officially fully recorded and reported on such forms within twenty-four (24) hours after performance may be subject to Division disciplinary action. The assignment of such a detail may, at the Association's option, constitute a grievance under this Agreement.
- (f) A member's claim that he has not received his/ her fair share of details pursuant to the provisions of this Article shall constitute a grievance under this Agreement. The Association's claim that paying details are not being distributed fairly and equitably shall similarly constitute a grievance under this Agreement.
- (g) Detail distribution forms shall be official records of the Division and shall be made available to the association for its inspection and use upon its request when removed from the bulletin board or other place of posting.
- (h) No paying detail assignments shall be made until the person, firm, corporation or entity requesting or required to have such detail has agreed to pay the following rates of pay per member therefore, namely; effective on the date of signing a guarantee of a minimum of four (4) hours pay per detail for each member so assigned.
- (i) When a detail is to be supervised, as determined by the Director, a Lieutenant or Captain shall be assigned and paid at a rate equal to the applicable Patrolman detail rate plus the Lieutenants' rank differential. When a Lieutenant or Captain is not available, a Sergeant shall be assigned and paid the Lieutenants' detail rate. Sergeants, Lieutenants and Captains rotating on details with Patrolmen shall be paid the applicable detail rate for a patrolman.<sup>5</sup>
- (j) In the event that a paid detail assignment continues for more than eight (8) hours, members so assigned shall be paid time and one-half their applicable detail rate for all such hours worked in excess of eight (8). Members assigned to strike details shall be paid time and one-half their applicable detail rate for all such hours worked, with a guarantee of a minimum of four (4) hours pay per detail for each employee so assigned.
- (k) No paying detail assignment on a Sunday or on legal holidays or between twelve midnight and 8:00 a.m. shall be made until the person, firm, corporation or entity requested or required to have such detail has agreed to pay the following rates of pay per member thereof, namely, effective on the date of signing, a guarantee of a minimum of four (4) hours pay per detail for each member so assigned. The rates will be \$1.50 per hour more than the applicable detail rate or applicable supervisory detail rate if a member is supervisory capacity or any fraction thereof.

- (I) Effective June 30, 2001: Eight hours pay after four on details as in the patrolmen settlement.<sup>6</sup>

His/her physician shall be afforded full opportunity to consult with the physician of the Town prior to any determination by such physician as to the member's fitness to resume duty. If the members physician and such Town physician disagree as to such "fitness", they shall thereupon jointly designate a physician agreeable to both, who, at the Towns expense, shall examine the member and render an advisory written medical opinion as to the members fitness to return to duty, copies of which shall be transmitted by him to both the Towns physician and the members physician. In the event of their inability to agree upon a third physician, a physician shall be jointly selected by them from a list or panel of physicians established or suggested by the Commissioner of Public Health for the Commonwealth of Massachusetts in cooperation with the parties hereto, upon which event, such physician, at the Towns expense shall so examine the member and render his opinion as aforesaid. Pending receipt of such advisory opinion and action of the Town physician thereupon, the Town shall not require the member to return to duty and shall continue to fully compensate him/her for lost time incident to any such absence.

## Section 3.

### Light Duty.

- (A) If after 18 working days, a ranking officer out on L.O.D. is unable to return to full duty status, then the Town designated physician may examine the ranking officer to determine his/her fitness to perform light/limited duty. Before making such determination, the Town Physician shall consult with the ranking officers Treating Physician.
- (B) If the Town and Treating Physicians are unable to agree concerning the ranking officers ability to perform light duty, the two physicians shall select a third impartial physician in the relevant specialty area from a list of Massachusetts physicians maintained by the Massachusetts Medical Society. During this time, the ranking officer shall not be required to perform light duty.
- (C) The impartial third physician shall, after reviewing medical records and examining the ranking officer, make a determination concerning light duty. This determination shall be binding on the parties.

Such light duty to be effective immediately or if light duty is not indicated, the ranking officer shall continue to be carried on an L.O.D. status.

- (E) In the event that a ranking officer is assigned to light duty, such light duty shall not interfere with ongoing medical treatment.
- (F) If a ranking officer is assigned to light duty, he/she shall have the choice as to which shift he/she shall perform light duty on. If, however, a ranking officer assigned to the night shift chooses to perform light duty on the day shift, he/she shall not receive the night differential. Notwithstanding the foregoing, if the ranking officers Treating Physician certifies in writing that the ranking officers recovery would be enhanced by working the day shift, then the ranking officer will be paid the night differential. However, if the written certification of the Treating Physician is deemed unsatisfactory by the Director of Police Services, then the matter will be referred to the Town Physician, who shall consult with the ranking officer's physician. In the event of failure of agreement on this issue between the two physicians, the matter will be referred to the impartial third physician for final determination. Pending this determination, the ranking officer will not be compensated for the night differential if he/she continues to work days. In the event that the final determination of the impartial physician is that working days was appropriate to enhance recovery of the ranking officer, the ranking officer shall receive the night differential retroactively.
- (G) A ranking officer injured while on an off-duty status shall be eligible for light duty subject to the approval of the Town Physician and the Treating Physician. If the Town and Treating Physicians do not agree, an impartial third physician shall be selected by the two physicians and his/her determination shall be binding. The cost of the impartial third physician shall be paid by the employee.
- (H) When assigned to light duty, a ranking officer shall be carried as such on the Towns record, i.e., L.O.D. status ceases.
- (I) Any ranking officer assigned to light duty shall be required to wear a uniform, but shall not be responsible for responding in an emergency situation. The Town shall indemnify any light duty ranking officer from a complaint alleging or involving his/her failure to act as a ranking officer while on a light duty status. However, the Town will not indemnify such ranking officer assigned to light duty if he/she is found liable for any intentional tort or intentional violation of civil rights.
- (J) In the event that the procedure for determining fitness for light duty, as outlined previously, results in a determination that light duty is not appropriate, the Town and/or ranking officer shall be free to reinstate the procedure after a reasonable time or if either party has reason to believe that the ranking officers condition has improved, but in no event within 18 working days of the determination of inappropriateness of the impartial third physician.
- (K) The Director of Police Services may assign a ranking officer to light duty if he/she is incapacitated for the purpose of performing one type of duty to another which he/she is capable of performing and is normally performed by a full-time ranking officer in the employ of the Town of Arlington.
